Volunteers will share the apartment, there will be 6 EVS at one time in the town, so good time, social activities and international experience - guarantee.

### **12 month project in AFTER SCHOOL ACTIVITY CENTRE "LYDERIŲ KARTA", 1 volunteer**

**Start September 2018; End August 2019**

**Venue: Ukmergė, Lithuania**

After school activity centre for children opened in 2015. This is the first centre of such kind in Ukmergė. After-school centre ensures professional childcare and even the possibility to pick up kids from school and take them to their extracurricular activities. Children are supervised, safe and ensured with plenty of interesting activities.

Main purposes of the after-school centre are:

- Help to shape a young person's conscious personality;
- To provide an early vocational guidance and non-formal education;
- To help parents, resulting in calmer working days and increased added value;
- High-quality childrens' free time while strengthening their social skills and emotional intellect.

After-school activity centre contributes to the formation of mature personalities that respects other people, their community and the environment, actively participates in the public life and understands their role as citizens of the country.

EVS volunteers will support children in every day tasks, organise educational activities, cultural and artistic activities, events, excursions. During holiday time organise camps and outdoor activities, various trips. Own initiative is always welcome!

Volunteer will learn positive methods of working with children, how to develop emotional intelligence and will gain experience in working with parents. He/she will be encouraged to implement individual initiatives.
