

GIOVANI DI VALORE

With CSV INSUBRIA

Hosting organisation:

SMS - Società di Mutuo Soccorso

1 position offer as from 7th October 2019 for 10-12 months

Coordinating organisation : CSV INSUBRIA PIC 947 842 582

Hosting organisation: SOCIETA' DI MUTUO SOCCORSO PIC 941.878.925

Place: MALNATE

Project description

Taking part to the daily life of the daily centre for elderly people (20 users, 1 educator, 4/5 social workers, volunteers), young people will take part of the work of social workers and educators in developing activities aiming at social inclusion of elderly people and the maintenance of skills and ability in senior people. Task of volunteers are supporting the employees during the activities such as workshops (creative, art-lab, art-lab such as drawing, theatre, dance, or sports activity as swimming or playing bocce, basket, music both live music or listening), during welcoming and lunch time (supporting during lunch in distributing dishes, helping some users, collecting dishes and clearing the room) or training and promotional activity for esc volunteers (language course, youhpass or volunteers club meetings).

Another part of the project will be the promotion of active participation of young people through volunteering opportunity, this will be taking part to local initiatives (exhibition, events, school meetings), making some communication campaign through social media and local media.

accommodation, food and transport arrangements

Volunteers are hosted in a fully equipped house, with two bedrooms, living room, kitchen and bathroom. The house has also a garden. The volunteer will share bedroom with another volunteer. The house is 5 minutes' walk far the associations place.

training during the project

On arrival training is provided by coordinating organisation about the project aims and the overall community partnerships. Volunteers will also be given all the instruction regarding ESC principle and functioning in our organisation.

Training on working with vulnerable adults is provided to all our volunteers by staff members in the hosting organisations and volunteer will be trained on the job with staff help.

Volunteers will be given informal learning process support through the active participation to a monthly 4 hours group trainings on YOUTHPASS certificate.

Volunteers will be given access to the ESC online language training tools. Time is set aside for volunteers to carry out their online language studies as well as taking part to Italian classes

volunteer profile

All people aged 18 - 30, who have a genuine interest and passion for working with people with disabilities and or elderly people. No professional skills and experience is required, however it is recommended that volunteers have an experience in similar sector or providing support in personal life in order to have a realistic idea of working with people with disabilities. As we work with vulnerable adults, the volunteers should be kind, patient and compassionate. hobbies and skills that they are willing to share with the residents, such as art, music, cooking, drama, sports that can complement activities.

additional information

Volunteers are actively involved in shaping their ESC experiences and we encourage volunteers to bring their own ideas, skills and passions to share with the hosting association and the partners association in a community involvement

L'ANCORA

Hosting organisation:

L'ANCORA

1 position offer as from 7th October 2019 for 10/12 months

Coordinating organisation : Csv Insubria pic m 947 842 582

Hosting organisation: L'Ancora

Place: COMO

Description: The volunteers will be involved in two areas: activities with disable people at the daily centre L'Ancora, promotion of youth volunteering at CSV.

The European volunteer supports the team of L' Ancora about 30 hours a week, and the team of CSV about 10 hours a month. At the CSV the volunteer will be mainly involved in actions related to young people (promotion of volunteering in schools, planning of youth events ...) so that her contribution will be peer to peer.

At L' Ancora the volunteer will have the opportunity to experience some of the many initiatives that take place there: art, motor, rehabilitative, therapeutic workshops with disable people. The volunteer may act directly in practical artistic activities (laboratories of handworks, clay, creation of bonbonnières, recycled paper, painting, flower arrangement, loom...), in physical activities (gym, swimming pool, pancafit, dance...), in expressing activities (tale laboratory, vegetable garden therapy, music and theatre workshop, sound beam laboratory), in cognitive activities (picture story laboratory, multimedia laboratory, periodic newspaper of the structure...), in occupational therapy activities (small assembly, maintenance of gardens, little fruits growing, catering...).

The project proposes innovative activities that use various methods to achieve the goal of social inclusion with particular attention to European awareness. We intend to implement a

project in which young people can freely express their ability in terms of solidarity and spirited of initiative.

At the conclusion of the service it foresees the realization of a personal project.

Accommodation, food and transport arrangements

The volunteer is hosted in a fully equipped home in a University residence in Como; it has living room, kitchen, bedrooms and bathroom. The volunteer will share the home with other two volunteers. They will share kitchen and bathroom. The house is in the city centre of Como. The volunteer will have monthly bus ticket to get the hosting headquarter.

training during the project

On arrival training is provided by coordinating organisation about the project aims and the overall community partnerships. Volunteers will also be given all the instruction regarding ESC principle and functioning in our organisation.

Training on working with vulnerable adults is provided to all our volunteers by staff members in the hosting organisations and volunteer will be trained on the job with staff help .

#YOUTHLAB

Hosting organisation:

CSV INSUBRIA

1 position offer as from 7th October 2019 for 10/12 months

Coordinating organisation : Csv Insubria pic m 947 842 582

Place: COMO

Description:

#YOUTHLAB is a project that, from April 2017 to September 2020, accompanies 26 municipalities in giving shape and voice to young people's ideas.

A key achievement of the project is the refurbishment of the ERBA TRAIN STATION, a space of 200 square meters, a container to welcome and accompany the empowerment of young people, the development of their ideas and projects and their acquisition of soft skills.

At the station young people work together with youthworkers, politicians, volunteers, entrepreneurs and anyone willing to donate time, skills and resources.

A noteworthy achievement of #YOUTHLAB has been the opening of an Eurodesk Agency in Erba at the Station.

The Volunteer will be involved in the management of ERBA STATION, in collaboration with youthworkers, young themselves and the whole community.

Taking part to the daily life of the centre, the Volunteer will support staff members in the daily management of the centre as well as during workshops, welcoming, training and promotional activities.

Accommodation, food and transport arrangements

The volunteer is hosted in a fully equipped home in a University residence in Como; it has living room, kitchen, bedrooms and bathroom. The volunteer will share the home with other two volunteers. They will share kitchen and bathroom. The house is in the city centre of Como. The volunteer will have monthly bus ticket to get the hosting headquarter.

Training during the project

On arrival training is provided by coordinating organisation about the project aims and the overall community partnerships. Volunteers will also be given all the instruction regarding ESC principle and functioning in our organisation.

Training on working with vulnerable adults is provided to all our volunteers by staff members in the hosting organisations and volunteer will be trained on the job with staff help .

Volunteers will be given informal learning process support through the active participation to a monthly 4 hours group trainings on YOUTHPASS certificate.

Volunteers will be given access to the ESC online language training tools. Time is set aside for volunteers to carry out their online language studies as well as taking part to Italian classes

volunteer profile

#YOUTHLAB is looking for volunteers aged 18 - 29, with a genuine interest and passion for working in a young social environment. No professional skills and experience is required, however it is recommended he/she express interest for active participation to society and European policy and a dynamic approach to work and good social skills.

additional information

Volunteers are actively involved in shaping their ESC experiences and we encourage volunteers to bring their own ideas, skills and passions to share with the hosting association and the partners association in a community involvement.

How to apply:

Send cv and motivation letter and the attached questionnaire to : l.fagetti@csvlombardia.it within 30th July 2019.
